

WHITEPAPER
BUMI CRYPTO

Building an Inclusive and Rewarding Digital Asset Ecosystem

Executive Summary

IntroducingBUMICRYPTO-InnovationinDigital Assets

BUMI CRYPTO is a pioneering digital asset project designed to revolutionize the crypto space by combining ease of use, security, and unique rewards. At its core is the Kedai Bumi application, a Telegram-based bot that enables users to buy, sell, and stake cryptocurrencies with minimal fees and maximum convenience.

Built on the Binance Smart Chain (BEP20), BUMI CRYPTO ensures fast transactions and low costs, making it accessible to a broad audience. The project's vision is to create an inclusive ecosystem that rewards users with tangible assets such as digital gold and rice, symbolizing real-world value and cultural heritage. BUMI CRYPTO emphasizes transparency, with no token allocation to the development team, fostering trust within the community. This whitepaper outlines our vision to join a transformative journey in the crypto world.

Real-World Rewards

Stake BUMI to earn digital gold and rice, bridging digital assets with tangible value.

BEP20 Technology

Leveraging Binance Smart Chain for fast, secure, and low-cost transactions.

Community First

Transparent tokenomics with no team allocation to build ultimate trust.

Market Challenges

Understanding the Barriers to Mass Adoption

www.bumicrypto.com

High Transaction Fees

Many networks impose significant fees, making small or frequent transactions costly and discouraging everyday use.

Complex User Interfaces

Existing platforms often require technical knowledge, creating a steep learning curve for new users and limiting accessibility.

Lack of Tangible Rewards

Most crypto projects offer speculative value without real-world rewards, reducing user engagement and loyalty.

Security Concerns

Users face risks from hacks, scams, and unreliable platforms, undermining confidence in digital assets.

Limited Community Incentives

Many projects fail to build strong, incentivized communities, which are essential for sustainable growth.

BUMI's Solution

BUMI CRYPTO addresses these issues with a user-friendly, secure platform with low fees and unique rewards.

BUMI CRYPTO's Innovative Approach

Simplifying Crypto with Real-World Rewards

www.bumicrypto.com

Kedai Bumi Telegram Bot

A seamless, intuitive interface allowing users to buy and sell cryptocurrencies with minimal fees directly through Telegram.

Staking with Unique Rewards

Stake BUMI tokens to earn rewards in digital gold and rice, symbolizing wealth and cultural significance.

Community-Centric Ecosystem

Fostering an engaged community through referral programs, multi-level rewards, and continuous development.

Why Choose BUMI Toke

Secure Platform

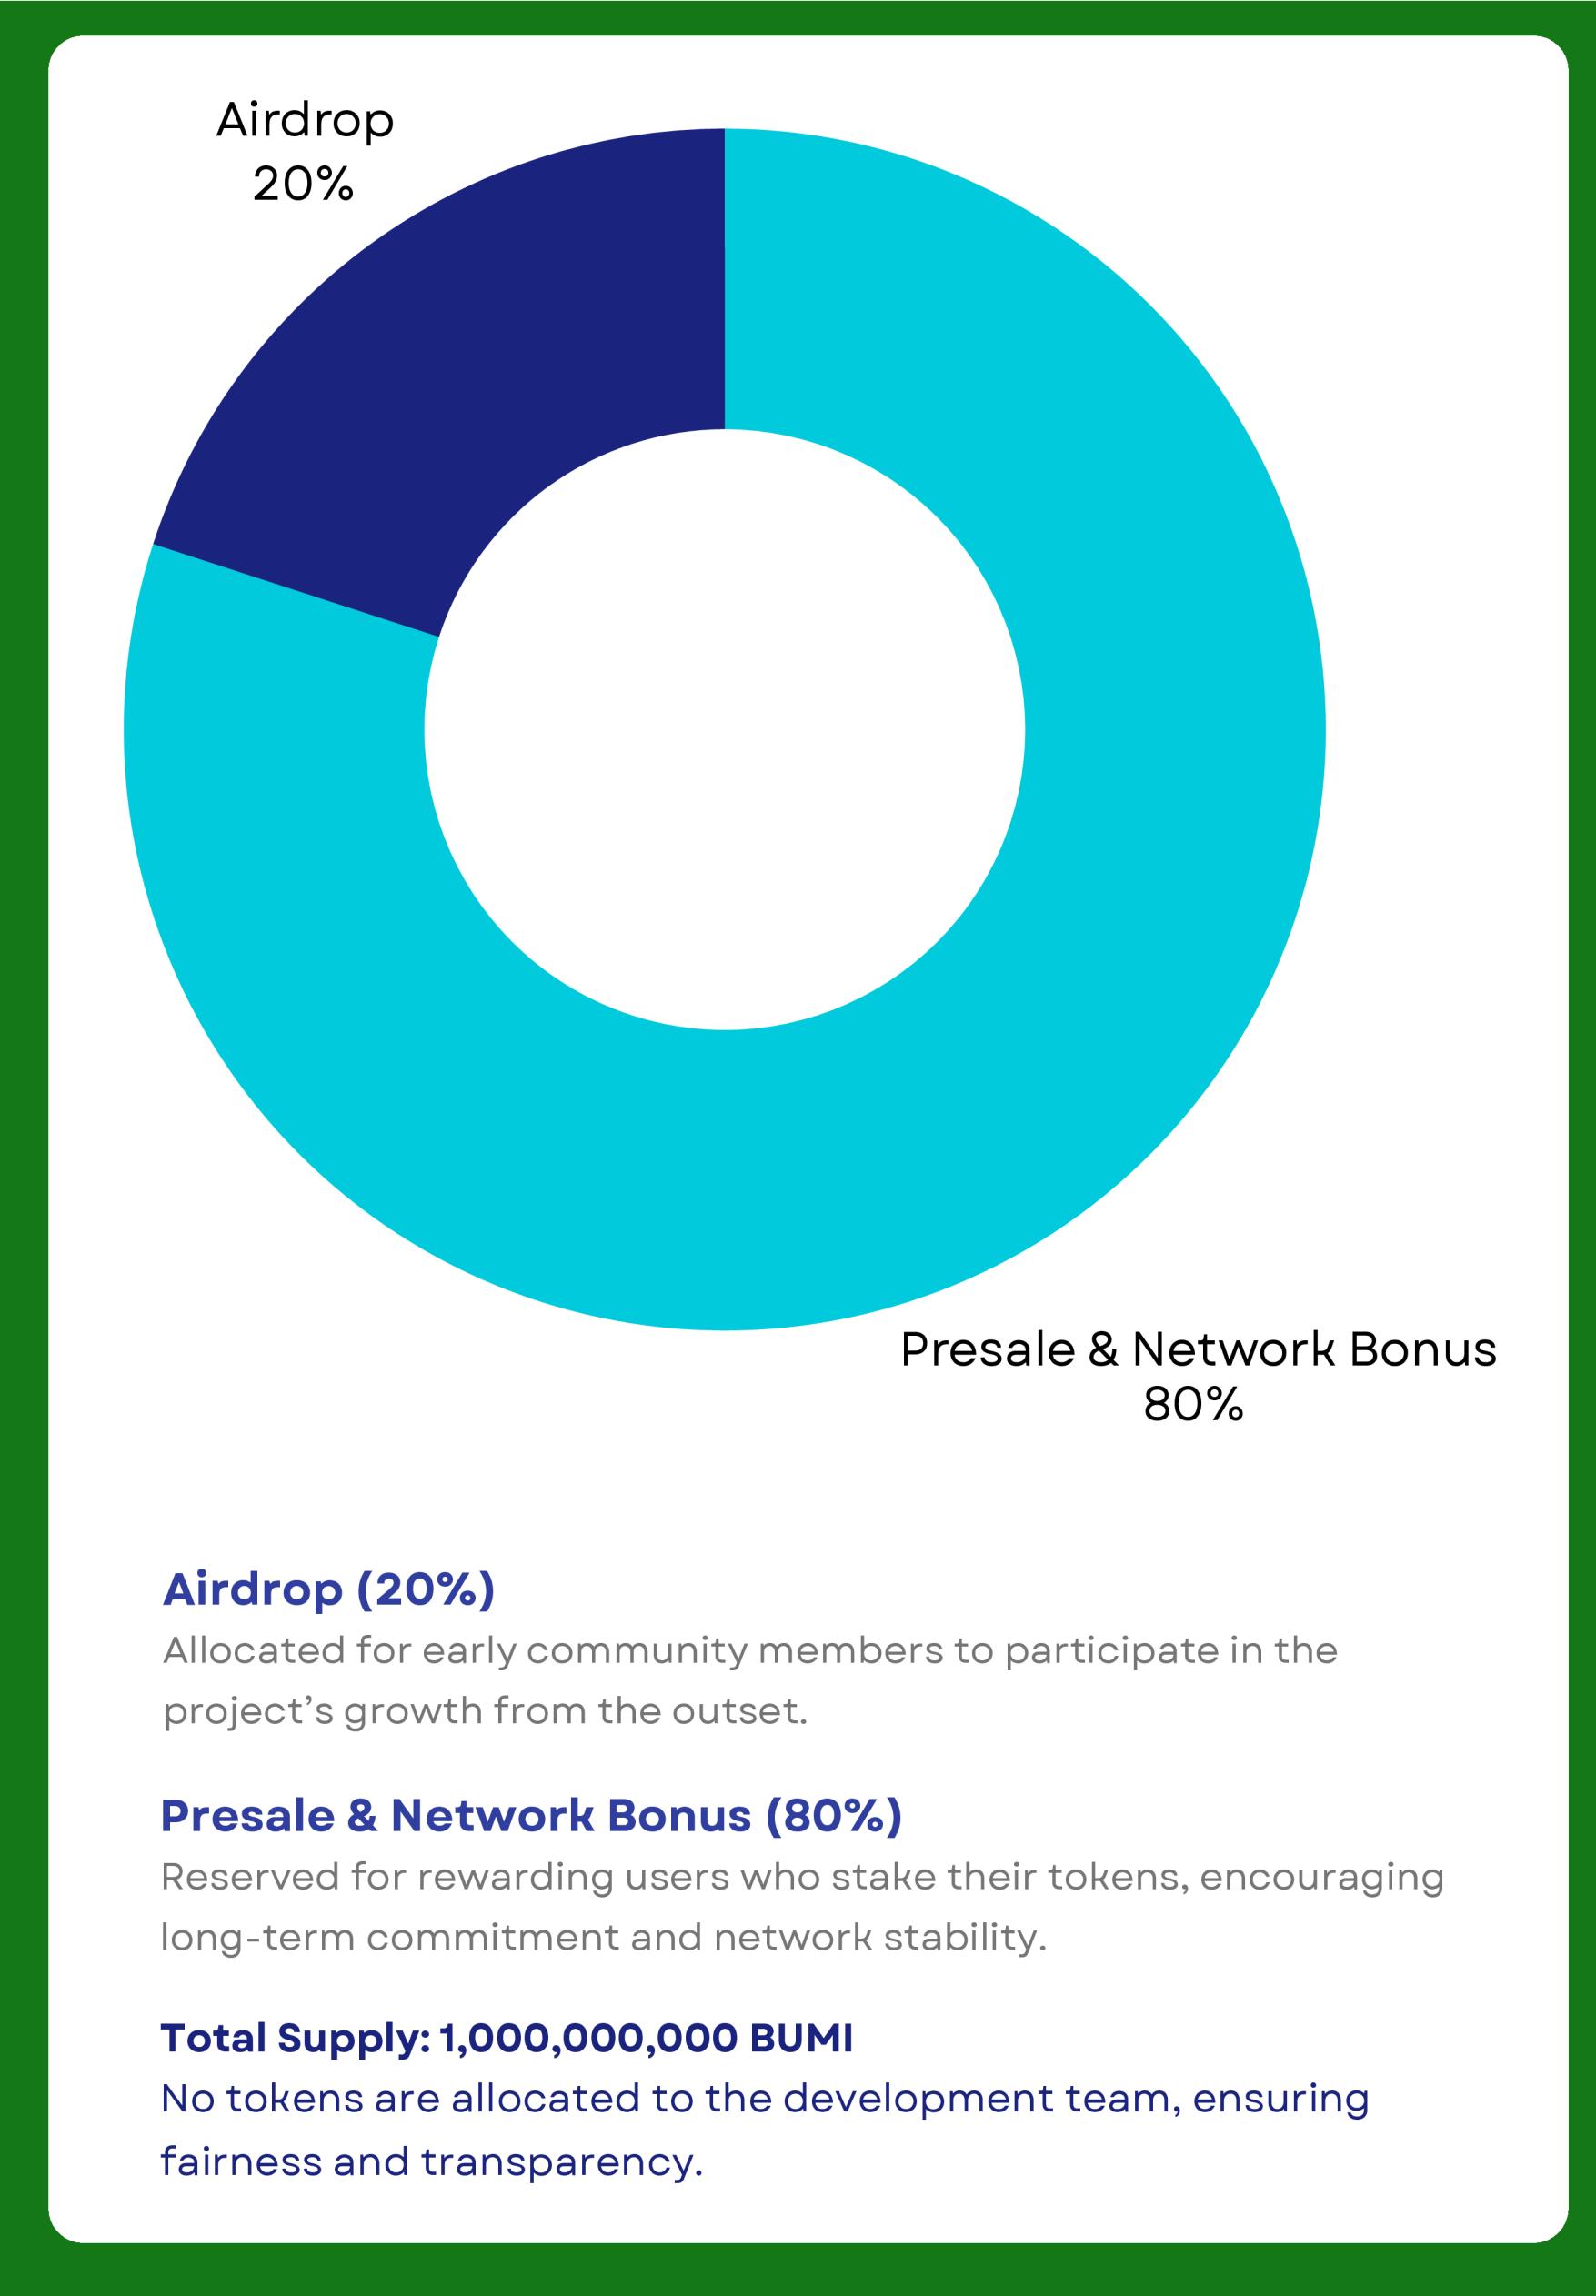

Built with advanced security features to protect your assets

Tokenomics & Distribution

Transparent and Community-Focused Allocation

PRODUCT OVERVIEW

Built on the Binance Smart Chain (BEP20)

- **Token Name:** BUMI
- **Type:** BEP-20 Token
- **Total Supply:** 1,000,000,000 BUMI
- **Chain Network:** BNB Smart Chain
- **Contract Address:**
`0x86336c0089cf24ecf53033727a0dcdacf1d1d1d2`
- **Symbol:** BUMI
- **Decimal:** 18

Roadmap & Timeline

Strategic Milestones for Growth and Expansion

www.bumicrypto.com

23 June 2025

Launch KedaiBumi App

Official launch of the Kedai Bumi Telegram bot, enabling seamless and low-fee BUMI token trading for all users.

27 June 2025

Listing on DexTrade

Initial exchange listing on DexTrade to provide essential liquidity and market access for early adopters.

H2 2025

Major Platform Listings

Targeting listings on CoinMarketCap, CoinGecko, and PancakeSwap to increase visibility, credibility, and trading options.

Late 2025

Tantin Exchange Integration

Listing on Tantin Exchange to further broaden our exchange options and expand our user reach within the ecosystem.

Technology & Security

Robust Infrastructure for Trust and Efficiency

www.bumicrypto.com

BEP20 Token Standard

Utilizing Binance Smart Chain for high throughput, low fees, and wide compatibility with wallets and exchanges.

Telegram Bot Interface

Kedai Bumi offers a user-friendly gateway to crypto, eliminating complex software and making crypto accessible to all.

Smart Contract Audits

BUMI's smart contracts undergo rigorous security audits by reputable third parties to identify and mitigate vulnerabilities, ensuring the safety of user funds.

Continuous Improvement

The development team actively monitors the ecosystem for threats and performance bottlenecks, implementing updates as needed.

Team & Partners

Experienced Professionals and Strategic Collaborations

Dedicated & Experienced Team

BUMI CRYPTO is driven by a team of blockchain experts, developers, and business strategists committed to delivering a secure and innovative platform.

- Expertise in blockchain, finance, and marketing.
- Commitment to transparency and community feedback.
- No token allocation for the team to build trust.

Strategic Partnerships

The project's growth and credibility are supported by strategic partnerships with key players in the industry.

- Collaborations with major exchanges for liquidity.
- Partnerships with reputable security audit firms.
- Alliances with marketing agencies to expand reach.

WHITEPAPER

BUMI TANTIN

Menghubungkan Komunitas, Membangun Masa Depan

BUMI TANTIN bukan sekadar token biasa. Ini adalah sebuah gerakan yang dirancang untuk menghubungkan orang-orang dari berbagai latar belakang, membangun komunitas yang kuat, dan memberikan kesempatan nyata bagi setiap anggota untuk ikut serta dalam pertumbuhan bersama. Kami percaya bahwa kekuatan sejati berasal dari kebersamaan, dan BUMI TANTIN hadir sebagai jembatan yang menghubungkan para pemegang token dengan komunitas Tantin yang luas dan penuh semangat.

Dengan BUMI TANTIN, Anda tidak hanya memiliki sebuah token digital, tetapi juga menjadi bagian dari sebuah keluarga besar yang saling mendukung dan berkolaborasi. Misi kami sederhana: menciptakan ruang di mana setiap orang bisa merasa terhubung, dihargai, dan memiliki kesempatan untuk berkembang bersama. Melalui token ini, kami ingin membuka pintu bagi siapa saja, termasuk mereka yang mungkin belum terlalu paham teknologi, untuk ikut merasakan manfaat dan peluang yang ada.

Kami mengerti bahwa dunia kripto bisa terasa rumit dan membingungkan bagi banyak orang. Oleh karena itu, BUMI TANTIN hadir dengan pendekatan yang mudah dimengerti, transparan, dan ramah bagi semua kalangan. Kami ingin memastikan bahwa setiap anggota komunitas dapat memahami tujuan dan nilai dari token ini tanpa harus merasa kesulitan. Dengan bergabung bersama kami, Anda tidak hanya berinvestasi dalam sebuah token, tetapi juga dalam sebuah visi besar yang mengutamakan keadilan, keterbukaan, dan kekuatan komunitas.

Mari bersama-sama membangun masa depan yang lebih cerah dengan BUMI TANTIN, di mana setiap suara didengar, setiap kontribusi dihargai, dan setiap langkah diambil bersama. Ini adalah kesempatan Anda untuk menjadi bagian dari sesuatu yang lebih besar, sesuatu yang nyata, dan sesuatu yang penuh harapan. Bergabunglah dengan kami dan rasakan kekuatan komunitas yang sesungguhnya.

Informasi Token dan Presale BUMI TANTIN

Presale adalah tahap awal penjualan token sebelum resmi diluncurkan ke publik luas. Ini adalah kesempatan spesial bagi Anda untuk mendapatkan token BUMI dengan harga yang sangat menarik, yaitu 1 BUMI = 0.1 CTC. Dengan mengikuti presale, Anda bisa menjadi bagian

dari komunitas sejak awal dan mendapatkan keuntungan lebih besar saat token mulai diperdagangkan di Exchange Tantin.

Token BUMI TANTIN memiliki kontrak resmi di jaringan blockchain dengan alamat: 0x86336c0089cf24ecf53033727a0dcdaef1d1d1d2 Alamat ini adalah identitas unik token kami yang memastikan keamanan dan transparansi setiap transaksi. Anda bisa memeriksa dan memverifikasi token ini di platform blockchain yang terpercaya.

Presale ini dirancang untuk memudahkan Anda yang mungkin belum familiar dengan dunia kripto. Kami ingin memastikan bahwa prosesnya sederhana dan jelas, sehingga siapa pun bisa ikut serta tanpa kebingungan. Dengan membeli token di presale, Anda tidak hanya mendapatkan harga khusus, tetapi juga mendukung pengembangan komunitas dan proyek BUMI TANTIN secara keseluruhan.

Mengapa ikut presale? Karena ini adalah kesempatan emas untuk mendapatkan token dengan harga lebih murah sebelum harga naik saat peluncuran resmi. Selain itu, dana yang terkumpul dari presale akan digunakan untuk memperkuat ekosistem BUMI TANTIN, termasuk airdrop dan bonus jaringan yang akan memperluas jangkauan komunitas.

Kami mengajak Anda untuk bergabung dalam presale ini sebagai langkah awal membangun masa depan bersama. Dengan memahami dan ikut serta dalam presale, Anda menjadi bagian dari perjalanan besar BUMI TANTIN yang transparan, adil, dan berfokus pada komunitas. Jangan lewatkan kesempatan ini untuk menjadi bagian dari perubahan dan pertumbuhan yang nyata.

Tokenomics BUMI TANTIN: Transparansi dan Keadilan untuk Semua Pemegang Token

Tokenomics adalah cara kita mengatur dan mengelola distribusi token agar adil dan transparan. Berikut adalah rincian tokenomics BUMI TANTIN:

Distribution Category	Persentase (%)	Keterangan
Presale & Bonus	80%	Semua token didistribusikan melalui penjualan awal, tanpa alokasi untuk tim pengembangan atau manajemen.
Developer	0%	Tidak ada distribusi token untuk tim pengembangan dan manajemen guna menjaga kepercayaan komunitas.
Airdrop & Network Bonus	20%	Digunakan untuk memperluas komunitas dan memberikan insentif kepada pemegang token.

Pendekatan ini memastikan bahwa semua pemegang token memiliki kesempatan yang sama dan tidak ada pihak yang mendapatkan keuntungan tidak adil dari distribusi awal.

Produk Overview

- Token Name:** BUMI
- Type:** BEP-20 Token
- Total Supply:** 1,000,000,000 BUMI
- Chain Network:** BNB Smart Chain
- Contract Address:** 0x86336c0089cf24ecf53033727a0dcdacf1d1d1d2
- Symbol:** BUMI
- Decimal:** 18

Roadmap & Timeline

BUMI TANTIN memiliki roadmap yang jelas dan terukur untuk memastikan pertumbuhan dan pengembangan yang berkelanjutan. Berikut adalah jadwal penting yang sudah dan akan dilaksanakan:

Tanggal	Kegiatan
23 Juni 2025	Launch KedaiBumi
27 Juni 2025	Listing di DexTrade
2025 (selanjutnya)	Listing di CoinMarketCap (CMC)
2025 (selanjutnya)	Listing di CoinGecko
2025 (selanjutnya)	Listing di PancakeSwap
2025 (selanjutnya)	Listing di TantinExchange

Roadmap ini menunjukkan komitmen kami untuk terus memperluas jangkauan dan meningkatkan likuiditas token BUMI TANTIN di berbagai platform exchange terkemuka.

Teknologi dan Keamanan

BUMI TANTIN dibangun di atas teknologi blockchain BEP20 yang handal dan aman. Beberapa fitur teknologi utama meliputi:

- Kontrak Token BEP20:** Memastikan kompatibilitas dengan ekosistem Binance Smart Chain dan kemudahan integrasi dengan berbagai platform.
- Bot Telegram Otomatis:** Mendukung interaksi komunitas dan memberikan update real-time tentang token dan proyek.
- Audit Keamanan:** Token dan smart contract telah diaudit oleh pihak ketiga untuk memastikan tidak ada celah keamanan.
- Infrastruktur Terdesentralisasi:** Menjamin transparansi dan keandalan transaksi serta pengelolaan token.

Teknologi ini memberikan fondasi yang kuat untuk pertumbuhan BUMI TANTIN dan menjaga kepercayaan komunitas.

Tim dan Mitra Strategis

BUMI TANTIN didukung oleh tim pengembang yang berpengalaman dan mitra strategis yang kredibel. Tim kami terdiri dari para ahli di bidang blockchain, pengembangan aplikasi, pemasaran, dan komunitas.

Kami juga menjalin kemitraan dengan berbagai platform dan komunitas untuk memperkuat ekosistem BUMI TANTIN dan memperluas jaringan distribusi token.

Informasi Kontak dan Media Sosial

Kami terbuka untuk pertanyaan, kolaborasi, dan masukan dari komunitas.

Terima kasih telah meluangkan waktu untuk mempelajari whitepaper BUMI CRYPTO. Kami percaya bahwa dengan dukungan komunitas yang solid dan teknologi yang handal, BUMI TANTIN akan menjadi salah satu token yang membawa perubahan positif dan peluang nyata bagi semua pemegangnya.

WHITEPAPER

BUMI TANTIN

Connecting Communities, Building the Future

BUMI TANTIN is not merely an ordinary token. It represents a movement designed to connect individuals from diverse backgrounds, foster a robust community, and provide genuine opportunities for each member to participate in collective growth. We believe that true strength arises from unity, and BUMI TANTIN serves as a bridge linking token holders with the vibrant and expansive Tantin community.

With BUMI TANTIN, you not only possess a digital token but also become part of a large, supportive, and collaborative family. Our mission is straightforward: to create a space where everyone can feel connected, valued, and have the opportunity to grow together. Through this token, we aim to open doors for all, including those who may not yet be well-versed in technology, allowing them to experience the benefits and opportunities available.

We understand that the cryptocurrency world can seem complex and bewildering to many individuals. Therefore, BUMI TANTIN presents an approach that is easily comprehensible, transparent, and accessible to all. We aim to ensure that every community member can grasp the objectives and values of this token without encountering difficulties. By joining us, you are not merely investing in a token; you are also investing in a grand vision that prioritizes fairness, openness, and community empowerment.

Together, we are building a brighter future with BUMI TANTIN, where every voice is heard, every contribution is valued, and every step is taken collectively. This is your opportunity to be part of something greater, something tangible, and something filled with hope. Join us and experience the true power of community.

Token Information and BUMI TANTIN Presale

Presale is the initial stage of token sales before they are officially launched to the general public. This is a special opportunity for you to acquire BUMI tokens at a very attractive price, which is 1 BUMI = 0.1 CTC. By participating in the presale, you can become part of the community from the beginning and gain greater benefits when the token starts trading on the Tantin Exchange.

Token BUMI TANTIN has an official contract on the blockchain network with the address: 0x86336c0089cf24ecf53033727a0dcdaef1d1d1d2. This address serves as the unique identifier for our token, ensuring the security and transparency of each transaction. You can review and verify this token on reputable blockchain platforms.

This presale is designed to assist those who may not be familiar with the cryptocurrency landscape. We aim to ensure that the process is straightforward and transparent, allowing anyone to participate without confusion. By purchasing tokens during the presale, you not only secure a special price but also contribute to the development of the BUMI TANTIN community and project as a whole.

We invite you to join this presale as a foundational step in building a shared future. By understanding and participating in the presale, you become part of the significant journey of BUMI TANTIN, which is transparent, equitable, and community-focused. Do not miss this opportunity to be part of tangible change and growth.

Tokenomics BUMI TANTIN: Transparency and Equity for All Token Holders

Tokenomics refers to the methodology we employ to organize and manage the distribution of tokens in a manner that is equitable and transparent. Below are the details of BUMI TANTIN's tokenomics:

Distribution Category	Persentase (%)	Keterangan
Presale & Bonus	80%	All tokens are distributed through presale, with no allocation for the development team or management.
Developer	0%	There is no token distribution for the development and management team to maintain community trust.
Airdrop & Network Bonus	20%	Utilized to expand the community and provide incentives to token holders.

This approach ensures that all token holders have an equal opportunity and that no party gains an unfair advantage from the initial distribution.

Produk Overview

- **Token Name:** BUMI
- **Type:** BEP-20 Token
- **Total Supply:** 1,000,000,000 BUMI
- **Chain Network:** BNB Smart Chain
- **Contract Address:** 0x86336c0089cf24ecf53033727a0dcdaef1d1d1d2
- **Symbol:** BUMI
- **Decimal:** 18

Roadmap and Timeline

BUMI TANTIN possesses a clear and measurable roadmap to ensure sustainable growth and development. Below are the significant milestones that have been achieved and those that are forthcoming:

23 June 2025	Initiate KedaiBumi
27 June 2025	Listing on DexTrade
2025 (Next)	Listing on CoinMarketCap (CMC)
2025 (Next)	Listing on CoinGecko
2025 (Next)	Listing on PancakeSwap
2025 (Next)	Listing on TantinExchange

This roadmap demonstrates our commitment to continually expanding the reach and enhancing the liquidity of the BUMI TANTIN token across various leading exchange platforms.

Technology and Security

BUMI TANTIN is built on a robust and secure BEP20 blockchain technology. Key technological features include:

- **BEP20 Token Contract:** Ensuring compatibility with the Binance Smart Chain ecosystem and facilitating integration with various platforms.

- **Automated Telegram Bot:** Facilitates community interaction and provides real-time updates on tokens and projects.
- **Security Audit:** Tokens and smart contracts have been audited by a third party to ensure there are no security vulnerabilities.
- **Decentralized Infrastructure:** Ensuring transparency and reliability in transactions and token management.

This technology provides a robust foundation for the growth of BUMI TANTIN and sustains community trust.

PARTNER & TIM STRATEGIS

BUMI TANTIN is supported by a team of experienced developers and credible strategic partners. Our team comprises experts in blockchain, application development, marketing, and community engagement.

We also establish partnerships with various platforms and communities to strengthen the BUMI TANTIN ecosystem and expand the token distribution network.
